**AMENDMENT AFTER FINAL REJECTION**

The final rejection mailed Nov. 29, 2004, is respectfully traversed. Please consider the following remarks.

This amendment is identical in substantive content to an amendment mailed December 14, 2004, which inadvertently had a clerical error in the application number. The postcard receipt did not come back and the PAIR system does not show entry of that amendment. If that amendment is subsequently timely entered, then this amendment could be ignored.
